## MEMBERSHIP AND T-SHIRT PRE-ORDER

# 2024-25

### PTC MEMBERSHIP

Be a part of the community of parents that support and surround our educators as they partner with us to inspire and lead our children. From fostering school spirit, meeting classroom needs and providing financial and volunteer support, we show up in ways that matter. Membership keeps you in the loop as we help build new traditions, forge community bonds and help set the course for one of our kids' greatest adventures - their education! We are a 501c 3 organization and your membership and donation is tax-deductable.

### GETTING INVOLVED

Members will have opportunity throughout the year to participate in PTC activities, serve on various organizational committees, volunteer for events and more. Stay tuned for more information!
